

The screenshot displays the 'Geoportale Regione Siciliana - Sistema Informativo Forestale' web application. The main map area shows a satellite view of Sicily with fire risk zones highlighted in red. A sidebar on the left, titled 'Elenco layer', lists the available layers under the heading 'Livelli'. The layers are: 'CTR 1:1000 2012-2013', 'Catasto AGEA', 'Censimento Incendi' (checked), 'Incendi 2023' (checked), 'Incendi 2022', 'Incendi 2021', 'Incendi 2020', and 'Incendi 2019'. The map interface includes a search bar at the top left, a toolbar with various map controls, and a status bar at the bottom showing the date '05/04/2024' and time '08:52'.
